EDUCATION

University School of Automation And Robotics, GGSIPU-EDC

- Automation And Robotics
- Bachelor's of Technology

EXPERIENCE

Full-Stack Web Development Intern

K2 Edtech

June 2023 - October 2023 New Delhi, India

- Built and maintained web applications using React, Node.js, and Express.js, enhancing user experience and functionality
- Developed interactive UIs with HTML5, CSS3, and JavaScript, ensuring responsiveness and accessibility
- Implemented real-time features using WebSockets, improving user engagement and collaboration
- Visualized data with Chart.js, creating insightful charts and graphs for informed decision-making
- Wrote unit and integration tests using Jest, ensuring code quality and reducing bugs

Full-Stack Web Development Intern

K2 Edtech

June 2024 - October 2024

- Performed unit testing of web applications and troubleshoot issues
- Created powerful Content Management Systems to serve as interface for client
- Boosted web traffic by improving navigation and rectifying bottlenecks
- Crafted SEO strategy and intuitive interface for site to achieve prominent rankings across top browser platforms

PROJECTS

Collaborative Code Editor

- Developed a real-time collaborative code editor using React, WebSockets, and CodeMirror
- Implemented features for simultaneous editing, user presence, and conflict resolution
- Achieved seamless synchronization of code changes across multiple users

Real-time Data Visualization Dashboard

- Built a dashboard to visualize live stock market data using Vue.js, D3.js, and a real-time data streaming API
- Created interactive charts and graphs that dynamically updated with price fluctuations
- Optimized performance for handling large datasets and frequent updates

Live Chat Application with User Authentication

- Designed and developed a chat application with Node.js, Express.js, and Socket.IO
- Implemented user authentication and secure messaging functionality
- Ensured real-time message delivery and a responsive user interface
